

Acute Inpatient Care for Children and Teens

Newport News Behavioral Health Center offers a brief therapy approach focusing on stabilizing crisis situations for children and adolescents ages 8 to 17. Our facility is located on a rural campus with a natural and soothing environment that includes activity and group rooms, outdoor courtyards, recreational areas and a dining area.

The Acute Care Center is open 24 hours a day, 7 days a week and staffed with qualified mental health professionals, including master's-level clinicians, registered nurses, mental health technicians and board-certified child and adolescent psychiatrists.

Features can include:

- 24/7 coverage
- Prompt response time
- Structured clinical program
- Individual, group and family therapy
- Psychiatrist visits daily
- Most private insurances/Medicaid accepted
- Comprehensive discharge planning

The treatment process can include:

- Exploring what led to your child's admission
- Understanding how your child's history has affected his/her life
- Guiding your child to stay on the right path
- Examining steps to reach individual and family goals
- Developing longer-term goals
- Practicing skills learned

Free confidential assessments available 24/7. We can help young patients improve their life skills for a better future. Call us today at 757-888-0400 or 800-697-0999.
