## Behavioral Health Center

---

### Our Mission

*To promote recovery from the effects of abuse, addiction, and other behavioral issues through specialized treatment interventions provided by a community of caring professionals.*

### Our Vision

*To be the premier provider of behavioral health services*

The mission of the Building Bridges Initiative is to identify and promote practice and policy initiatives that will create strong and closely coordinated partnerships and collaborations between families, youth, community- and residentially-based treatment and service providers, advocates and policymakers to ensure that comprehensive services and supports are family-driven, youth-guided, strength-based, culturally and linguistically competent, individualized, evidence and practice-informed, and consistent with the research on sustained positive outcomes
